

SECRET

17 November 1965

NOTE FOR: Dr. Wheelon

Bud:

FYI and as a follow-up to the note I sent you last week:

Attached is a list of the antennas facing the CIA building which were identified by the Office of Security.

DD/S was suppose to brief the Director on this project last Friday or Saturday but the DCI never called for it. The DD/S is still standing by to do the briefing.

25X1A
25X1A [redacted] O/C, sent me a copy of the attached letter to [redacted] about the Channel 20 TV tower (location #5 on the map).

25X1A

Attachment:
